## LOW INCOME EXPLANATION WORKSHEET: DEPENDENT STUDENTS: 2018-2019

In the process of reviewing your application for financial aid, the North Bennet Street School (NBSS) Financial Aid Office finds that further information is required. Specifically, you reported unusually low income in 2016 for you and/or your parent(s) on your 2018-2019 Free Application for Federal Student Aid (FAFSA). Also, you reported that neither you nor your parent(s) received government assistance, such as Supplemental Security Income (SSI), food stamps, free or reduced lunch benefits, TANF benefits, or WIC benefits (if you or your parent(s) received any of these benefits, please return copies of benefit statements with this worksheet). This may constitute conflicting information as defined by the US Department of Education (DOE). Federal regulations require the NBSS Financial Aid Office to resolve any conflicting information before a financial aid award can be granted to you.
