

NORTH BENNET ST. SCHOOL

INDEPENDENT STUDENT INCOME VERIFICATION WORKSHEET: 2017-2018

Your financial aid application has been selected for a process called “verification.” Through the verification process, the North Bennet Street School (NBSS) Financial Aid Office will confirm information reported by you and your spouse (if applicable) on your 2017-2018 Free Application for Federal Student Aid (FAFSA) with the information submitted on this Independent Student Income Verification Worksheet. Please complete and return this worksheet to the NBSS Financial Aid Office as soon as possible. Your financial aid application is not complete without this form. Please contact the Financial Aid Office at 617-227-0155 if you need assistance completing this form.

A. Student Information:

<i>First Name</i>	<i>Last Name</i>	<i>Middle Initial</i>
-------------------	------------------	-----------------------

B. Student’s Income Information to Be Verified

1. TAX RETURN FILERS—**Important Note:** If the student filed, or will file, an amended 2015 IRS tax return, the student must contact the financial aid office before completing this section.

Instructions: Complete this section if the student filed, or will file, a 2015 income tax return with the IRS. *The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If the student has not already used this tool, go to FAFSA.gov, log in to the student’s FAFSA record, select “Make FAFSA Corrections,” and navigate to the Financial Information section of the form. From there, follow the instructions to determine if the student is eligible to use the IRS Data Retrieval Tool to transfer 2015 IRS income tax information into the student’s FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers.*

Check the box that applies:

- The student has used the IRS Data Retrieval Tool in FAFSA on the Web to retrieve and transfer 2015 IRS income information into the student’s FAFSA, either on the initial FAFSA or when making a correction to the FAFSA. *The student’s school will use the IRS information that was transferred in the verification process.*
- The student has not yet used the IRS Data Retrieval Tool in FAFSA on the Web, but will use the tool to retrieve and transfer 2015 IRS income information into the student’s FAFSA once the student has filed a 2015 IRS tax return. *See instructions above for information on how to use the IRS Data Retrieval Tool. The financial aid office cannot complete the verification process until the IRS information has been transferred into the FAFSA.*
- The student is unable or chooses not to use the IRS Data Retrieval Tool in FAFSA on the Web, and the student will submit to the school a **2015 IRS tax return transcript**—not a photocopy of the income tax return. *To obtain an IRS tax return transcript, go to www.IRS.gov and click on the “Order a Return or Account Transcript” link, or call 1-800-908-9946. Make sure to request the “IRS tax return transcript” and not the “IRS tax account transcript.” You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2014 IRS tax return was filed). It takes up to two weeks for IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If the student is married, and separate 2015 tax returns were filed, 2015 IRS tax return transcripts must be submitted for both the student and the student’s spouse.*
 - Check here if the student’s (and spouse’s if applicable) IRS tax return transcript is attached to this worksheet.*
 - Check here if the student’s (and spouse’s if applicable) IRS tax return transcript will be submitted to the student’s school later. Verification cannot be completed until the IRS tax return transcript(s) has been submitted to NBSS.*
