Willow Coronella JM '20
\$795

Woodworking

Continuing Education classes are designed both for amateurs interested in learning a new skill and for professionals who seek to strengthen their technical understanding.

NBSS trains students in traditional trades that use hand skills in concert with evolving technology. Our mission is to preserve and advance craft traditions while promoting a greater appreciation of craftsmanship.

In addition to non-accredited Continuing Education classes—for those eager to learn a new skill or perfect an existing practice—we also offer nine Full-Time programs, for those seeking intensive, career-oriented study. Learn more about those at nbss.edu/programs.

*Did you know NBSS is a nonprofit?
