Kelly Harris CF '17  
\$250

NBSS trains students in traditional trades that use hand skills in concert with evolving technology. Our mission is to preserve and advance craft traditions while promoting a greater appreciation of craftsmanship.

For more than a century, our exceptional programs, master faculty, and inspiring community have helped students to achieve meaningful lives and careers. The School's 64,000-square-foot facility is located in Boston's historic North End, the community in which it was originally founded in 1881.

In addition to non-accredited Continuing Education classes—for those eager to learn a new skill or perfect an existing practice—we also offer nine Full-Time programs, for those seeking intensive, career-oriented study. Learn more about those at [nbss.edu/programs](#).

*Did you know NBSS is a nonprofit?*

*Thank you for supporting our mission.*
