Continuing Education classes are designed both for amateurs interested in learning a new skill and for professionals who seek to strengthen their technical understanding.

BIRDHOUSES: MAKE, TAKE, DONATE

Students in this class will each make two birdhouses. One to take home, the other to donate to our partner organization, [South Sudanese Enrichment for Families \(SSEF\)](#). The birdhouses will be displayed at the SSEF gala in May.

The gala celebrates 20 years since the first South Sudanese refugees arrived in Massachusetts. The initial group of young men encountered years of unimaginable hardship during their journey and paved the way for many more South Sudanese to immigrate to the United States. SSEF continues to support these refugees and the families they have built. We're proud to partner with SSEF as our founding mission was to assist immigrants adjusting to life in their new country by teaching the skills needed for gainful employment.

Adult & Kid Class

Saturday, March 28

9:00 am - 12:00 pm

Kids must be at least 11 years old to participate.
