

## Three-Month Furniture Making Intensive Veterans Association Post-9/11 Benefits Explanation

Qualifying Veterans may use their post-911 GI Bill to cover the tuition for the Three-Month Furniture Making Intensive offered through the Continuing Education Department at North Bennet Street School.

- You are required to pay the \$1,000 deposit to register and hold your spot. This will not be refunded if you cancel or drop the class.
  - You will be reimbursed for the \$1,000 deposit following payment from the VA (usually within the first week of class).
- You are required to submit an updated Certificate of Eligibility to the Continuing Education Office at least one month before the start of class.
  - A Certificate of Eligibility can be obtained through VONAPP <https://www.ebenefits.va.gov/ebenefits/vonapp> or call 1-888-GIBILL-1 (888-442-4551). The process takes about one month.
- You are responsible for any portion of the cost that the Veteran's Association does not cover. The Certificate of Eligibility clearly states the percentage covered by the VA.
- You are responsible for securing all of your benefits from the VA in a timely manner. NBSS does not have the ability to work on behalf of students on VA benefits.
- Please be aware of our attendance policy. Students with 5 unexcused absences will be withdrawn from the course. If you are withdrawn, the VA stops paying housing benefits.
