The comprehensive Locksmithing & Security Technology program allows students to jump-start a locksmithing career and quickly earn a return on their educational investment.

In the hands-on, nine-month program students study with an experienced locksmith in small classes. The program will give you a firm grasp of the fundamentals and allows you to do high-quality work after graduating.

You’ll learn locksmithing through a combination of classroom theory, lectures, demonstrations, and hands-on benchwork, surveying, and installation. You’ll graduate with the ability to service and repair all types of residential and commercial door-locking devices. You’ll also be familiar with security technology such as electronic access control systems.

The program space includes individual benches for each student, a room for instruction and demonstration, a resource library, and all the major equipment and tools you would find in a locksmithing shop. Classes meet five days a week in the mornings, and after your second semester, you can work part-time while continuing to learn the trade in class.

STUDENT LIFE & CAREER SERVICES

We provide a supportive and stimulating learning environment for those seeking a career in fine craftsmanship. Outside of the classroom, students attend social events, career workshops, business preparation courses, and public lectures that enhance their hands-on instruction. Our alumni are also well-connected to the School, offering students both mentorship and employment opportunities.

ADMISSIONS & FINANCIAL AID

Our students are hard-working, patient, and determined to excel in a rigorous environment. They value fine craftsmanship and the satisfaction of learning a traditional trade. We welcome applications throughout the year, with the class start for Locksmithing & Security Technology occurring each February and September.

Financial aid, scholarships, and veterans benefits are available to qualified students. To learn more and apply, visit nbss.edu/financialaid.

HAVE QUESTIONS OR WANT TO SCHEDULE A VISIT?
